This page is used to inform visitors regarding our policies with the collection, use, and disclosure of Personal Information if anyone decides to use our Service.

If you choose to use our Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

Information Collection and Use

We will only collect personal information from you that is necessary for us to be able to meet any orders, provide our services and/or provide any assistance you have requested. We will seek to ensure that we do not collect information from you in any way that is unlawful or unreasonably intrusive.

The personal information that we collect from you and hold ("Information") to create an account and use our service includes your first and last names, email address and mobile number. Providing this information allows for use of the app.

To purchase any of the cafe's products through the app, payment must be provided via credit card. We do not personally store this information in our database, but this service is provided by Stripe through the Beverage Booker app. Supplying your credit card details and making payment through the app will be subject to Stripe's Privacy Policy.

If you select the delivery option during an order, you will need to enter your address. This includes a unit number if applicable, and a street number and street name. These details are stored in our Beverage Booker database so the delivery drivers can complete their deliveries. Deliveries are only offered in the City of Bathurst, NSW, Australia, so all valid delivery addresses should relate to this location.
